

# AUTOMATED SOLUTION FOR YOUR FUEL TAX REPORTING NEEDS

Simplify your fuel tax compliance with our fuel tax solution that automates your tax reporting process.

## THE PERFECT SOLUTION WITH MULTIPLE OPTIONS

### FUEL TAX FORMS

Generate state-specific ready formats for required fuel tax reports and electronic files.

### SCHEDULING SETUP

Customizable schedules to cater state specific forms.

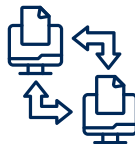

### TAX CYCLE MANAGEMENT

Run, print, purge, and edit your tax reports and files.

### FILE SAFETY & SECURITY

Access your documents, files, and invoices securely anywhere.

### ELECTRONIC FILING ASSIST

File and submit documents electronically when required by a state.

### USER-FRIENDLY INTERFACE

Intuitive reporting screens for your convenience

### CARRIER REPORTS

Track precise carrier fuel usage, ensuring compliance and simplifying tax submissions.

Our **Motor Fuel Tax Software** is the perfect solution. It automates and streamlines your tax reporting process, covering all types of fuel transactions. Generate state-ready reports and files, customize forms and schedules, manage your tax cycle, access your data securely, and file EDI documents with ease.

Contact us today to schedule a **FREE DEMO** to see how we can transform your business.
